## Industry-specific topics in the cities where they thrive

Chicago Conversations goes straight to the heart of the matter. In true Booth style, we actively seek the brightest thinkers, the most accomplished practitioners - innovators of every persuasion - and engage them in the cities where their industries thrive. Private Equity in Mumbai. Technology in Seattle. Social Enterprise in San Francisco.

Wherever the players are is where you'll find us. Putting industry-specific topics and challenges through the crucible of Chicago-style thinking is guaranteed to make for a lively, engaging, insightful conversation. A Chicago Conversation. [Join us.](#)

**Private Equity**  
Mumbai–June 10, 2013

Now more than a decade after the private equity industry took off in India, investors are beginning to take a step back and assess their investments in India. Has Indian private equity delivered the Indian growth story to investors in the last decade? Which industries have delivered high returns and which have failed to produce high returns? Looking ahead, what are the biggest challenges and opportunities for private equity investors in India?

Join a discussion with Chicago Booth alumni and industry professionals in Mumbai who will share their expertise and perspective on the current conditions as well as their views on the future outlook for private equity in India.
